

Fellow Flag & General Officers:

TFGON has several events on the horizon that we need to alert you to, plus a "To Remind" RE: our semi-annual TFGON fundraiser for those who have not yet sent a donation to help fund our organization. Details follow:

1. Please mark your calendar for Friday, July 24th, which is TFGON's next Quarterly Networking Reception from 6-8 pm at the Capitol Hill Club on Capitol Hill. Invitations will go out requesting RSVP's the 1st week in July, so for now, all you need to do is mark your calendar so you can plan around that date/time. Further details are on our website at [www.TFGON.org](http://www.TFGON.org) then click on Calendar on the LH Side of the Homepage.

2. We have been alerting the TFGON membership for some time now that we have been working with a large Washington, DC law firm that practices business governance and corporate board service law [Stradley Ronon Stevens & Young, LLP], with a view towards their putting together a special symposium for TFGON Members interested in corporate board service. That program is now ready to roll out and the dates of Wednesday/Thursday 23/24 September have been set for this very special symposium focused on flag/general officer service on corporate boards. Dinner will be included, along with a special networking reception with corporate board members. There will be no charge to attend. Request you mark your calendar now so you can plan around those dates should you wish to attend. More information will be provided to the TFGON membership as we get closer to the event.

3. We announced our semi-annual fundraiser to fund TFGON for the next 6 months earlier this month, and many of you have responded. On behalf of the Board of Directors and Elected Officers of TFGON, we thank those of you who have already made a donation. For those who have not yet donated but plan to do so, we are forwarding that message which has full details on donating via credit card or PayPal or "mailing a check"----- under our signature line below. To remind, all donations are tax-deductible under TFGON's IRS-approved status as a 501.c.19 War Veterans organization. TFGON does not charge membership dues, so this is how we fund the organization for the benefit of all flag and general officers.

Many thanks. We march on in continued service to our nation and each other. With all good wishes,

Jim Carey
